

did you know?

INFORMATION FROM THE TSS ARCHIVES

In 1906, TSS consisted of the Headmaster Horace Dixon and his wife Florence, 66 students (all boarders), 4 teaching staff, 1 matron and a cook.

A far cry from the modern TSS today where we have 1250 day boys, 305 boarder boys and 240 full or part-time staff, not including casual supply and sports coaches.
