

# FROM TSS DIRECTOR OF ROWING

I want to thank all within our TSS Rowing Community Parents, Old Boys & Friends, who believe in the TSS Rowing program and support our objectives of putting the best possible rowing program in place for our boys to participate and perform at their best.

With the appointment of Mr Duncan Free as Head Coach and following such a close 2nd place in the 2017 O'Connor Cup – First VIII, a strong element within training and selection is sculling. It is fundamental in our shed to ensure that years 8, 9, 10, 11 and 12 boys are able to access and prepare for the Head of the River with the small boats.

As a majority of our sculls have been in the shed for almost 10 years, we need to look for efficient ways of turning over all our equipment and we are now looking to invest in a new fleet of approximately 20 new sculls for a program of over 170 boys.

**With our need to purchase these sculls prior to the 2017/18 season starting this September, any donation is greatly appreciated and for donations of \$1000 or more we would like to recognise your support by placing a name on a boat.**

You may even wish to donate as a group or former crew to be a part of this fundraising project.

Our objective is to have the best equipment that assists all TSS rowers achieve their best potential, alongside strong coaching and a desire to perform at our best. I hope that with your support we can achieve our goal of getting TSS to the forefront of QLD GPS Schools competition – with your assistance.

The TSS Rowing program, run in partnership with the Australian Sports Foundation (ASF) is seeking Tax deductible donations to be made towards our sporting projects.

Your generous gifts will assist the entire TSS Shed in their endeavours to perform, with this opportunity offering you a legacy that will assist the Shed for another 10 years.

\*Donations of \$2 or more are tax deductible - this Campaign goal is set to raise \$25,000.00.

– MR ADAM HARRISON
